“ Family....our hearts rejoice for Dorse. Heaven is no longer a hope but a reality....what he must be experiencing...Dorse and Darleen were there some 47 years ago when we came to know Christ. They inspired us then and continued to inspire us throughout our journey and throughout their lives. Dorse Gillum was the epitome of a Godly man who lived each day of his life striving to serve Christ. He did that in a humble manner through his speech and in his actions. This picture of him brings tears as we rarely saw him without that smile.....through the good and bad times. In later years we were always blessed by his presence when we were able to go for our nursing home visits. Hampton United Methodist Church will always hold a special place in our heart and the church family we met there played such an important part in our Christian growth. So many of them are now walking on the streets of glory. What a happy time on February 17th when family and friends.....and Jesus were there to welcome this dear saint into his heavenly home. Even though we rejoice for him, our hearts hurt for the loved ones he leaves behind. Dorse you are so much like your father. He will continue to live through you. We pray your faith, family and friends will encourage each of you as you go through this and on Tuesday as you gather to celebrate his life you can do so with the assurance that his life made a difference in the lives of so many.

“ I'm sorry I never made it over to see Dorse as I intended before the COVID hit, when then it was not possible. Dorse was a very gentle and specially kind man. I enjoyed knowing him at the Moore Business Forms plant. He lived his Christianity every day. My sympathies now to his son Dorse Jr. and wife Deanna, and all his family some of whom I knew while growing up in the French Creek area. Good people. God bless all.

“ I can't say I ever met Dorse but I worked with his son Dorse at Pratt and Whitney and his witness revealed his dad's faith and love for God. Prayers go out to Dorse and Deanna and all the family and I know Heaven is rejoicing as you father, father in Law, and grandfather has represented Jesus Christ from his heart, and celebrates with him now!!

“ Dorse and family. I was so sad to see the passing of your dad. My friendship goes back so many years. He and your mom were the sweetest dear couple I believe I ever meet. I was always amazed of his steadfast devotion to taking care of your mom. Never complaining and always upbeat. His walk with God is such a mirror for all of us to copy and illuminate. Heaven just busted wide open with the joy of one of its own coming home. God bless to all. Holt Poling

“ I am so sorry to hear of Dorse’s passing. Dorse was such a kind gentleman. When my Mom, Betty Allman, became a resident of Serenity Care I always enjoyed talking to him when I visited. He liked the occasional treats I would bring to him and others who were especially kind to Mom. He was a neighbor to my Great Grandpa Reger. Actually we talked about him working for him along with my Dad, Eugene Allman. His family is in my thoughts and prayers! Sue Allman Petonick

“ Dorse always helped me set up for our reunions. I will miss that so much and the sitting and talking with him. The last time we sat and talked at Serenity Care, he had a little old lady that kept trying to get his attention because she thought he was her husband. She kept telling us about their life together and he didn't know what to say to her. He tried to ignore her and kept on trying to tell me the story he was talking about, but she would keep interrupting. It was kind of funny but exasperating to him. I sure will miss him.
