“ Our family was saddened to hear of Bob's passing. He and my brother played on the same baseball team during their high school years. They were in 4-H together and spent time thinking up ways to "tease the girls" during our meetings. Although we have lost touch, our family wishes to express their condolences to all the Lee brothers and their families on the passing of a kind and wonderful person.

“ I have known Bob since grade school and he taught me many tricks of the sign trade. He was the best and made it look so easy. We kept in touch through FB and he usually stopped to visit me when he was on Buckhannon. I was shocked to hear of his passing. I had just heard from him the later part of July and he seemed so happy that he was getting back into sign painting after his illness. What a talent he had !!
My condolences go out to all his family.
I will miss connecting with him.
RIP Bob !!
