“ June, Susan, and Sabrina, I was so sad to hear of your mother's passing. She was such a lovely lady... a true lady and her smile was contagious. I remember when her and Kay from over on Barbour Street from years ago. Kay was closer in age to me and I enjoyed her friendship in school. Since coming back to Buckhannon in 2015, I was pleased to get re-acquainted with Shirley. She was delightful and wonderful to be around. Her love for the Lord still shows in you ladies. What a wonderful legacy to leave your children and children's children... nothing compares to a Godly mother.

“ We lived on King School Road with Roy & Shirley I am one of the Bailey children. Always fond memories of her their house was out our front door & we looked up the hill to theirs. We were in the band & we would walk up & she always bought from us. Sometimes their cows got out & as a kid we thought it was fun. Our deepest prayers & condolences.

“ My family and I have known Sharley for the past five years. We have always enjoyed seeing her at church and talking to her. She was such a blessed godly woman. Three weeks ago, pastor Jeff mentioned that she had been admitted to UHC. That Sunday during the service, somehow my spirit remembered her, and one thing that clicked my ears was her beautiful voice, which I heard a couple of times during worship service two or three years ago. This verse also came to my heart when I was thinking about her that day “let the beloved of the Lord rest secure in him, for he shields him all day long, and the one the Lord loves rests between his shoulders.” I did not understand what it meant for her at that time, but now I do. She is a woman loved by God, and she is resting securely in him. I am thankful that we were able to visit her that day.

“ June, Sabrina, and Susan / to each of you, your families, and loved ones; I personally had not ever met your mother, Shirley, but following Facebook spostings was enough to convince me that Shirley was a remarkable lady. Some traits she processed reminded me of my late mother, Miss Betty - strong willed, family, and her heartfelt generosity just to name a few, made her to be who she was. I lift you and your families up on a higher high to make it through the days ahead, no matter how difficult and/or how sad it may become, for peace and ease of heart. ♡ Amen !
