“ Dear Sue, Connie, Donna & families, Pat and I were so saddened upon reading of Wayne's passing. I always appreciated his support and our always engaging conversations. I still think of Dave and how proud you all were of him. Lost him way too soon. Given our age, diabetes and some pulmonary issues we are not going out much in public. Thoughts & prayers coming your way especially tomorrow and Friday. Sincere condolences, Coach & Madame

“ I am so very sorry to hear this news. Wayne was a great guy and a friend.

Back in the 1970's, I saw Wayne almost every work day, as he was overseeing large scale drilling operations for ALAMCO (over 100 wells per year), and my employer, Union Drilling, was ALAMCO's primary drilling contractor. Wayne was in the Union Drilling office to check on "his rigs" every morning and every evening for may years. He was a faithful, loyal employee. Perhaps the most dedicated employee I have ever known. ALAMCO was lucky to have him.

Later, we frequently traveled to IOGA meetings together. I always enjoyed his company.

He was a very hard worker, and a knowledgeable guy. And he was always willing to share his knowledge and experience with young upstarts, like me.

The "good old days" of the WV oilfield were made better because of men like Wayne.

My thoughts and prayers are with you.....

“ I remember back in the 60's when my 1st husband, Jim, and me and three kids visited Sue and Wayne. Wayne, Jim, and, I think several of the relatives went frog giggin'! They had a ball and we ate frog legs for breakfast. Wayne was so much fun and welcoming any time we were there! Prayers and thoughts are with you all! Love Bev and family.
