“ Kathryn,

Allan was a gentle man of integrity, honor, dignity, and charity. I have loved and respected him from the time he had the wisdom to marry you, and, therefore, into our family. It is a certainty that he is now in God's care and free of pain.

Please know that we in North Carolina are praying that you and all your family will be blessed with comfort and healing.

*With Love,

“ *This man was my Grandfather. He was a kind, funny and sweet man. He will be greatly missed by all who knew him. In the sadness we will celebrate his life and how many people he touched while on this earth. He sure is celebrating now that he is home.*

“ *I had known Mr. Evans from a young age as I grew up a short distance up the road in Shadybrook. I became reacquainted with him later in life and found him to be the kind friendly gentleman I knew years before. My thoughts go out to Mrs. Evans, Mark and the rest of the family.*

“ *My deepest sympathy to the Evans family at this difficult time. Heaven gained a good man and I am sure that Allan will be missed by many. As long as I can remember I've seen his smiling face in good times and bad at church and and at home always serving others with a helping hand and a wise crack to lighten the mood. I remember working floods at the church with Allan, Hugh, and my Dad as a young man trying to save what we could and the comfort and prayers we shared at the loss of friends and brothers. Allan was a wonderful friend of our family I will miss him greatly. There is comfort knowing he is at peace and I would like to think that he is rejoicing in Heaven with his friends and loved ones who have gone on before him. Kathy, Mark, & Dee if there is anything you need that I might be able to help with just let me know. We love you all.*

“ He was the kindest, most caring and gentle man. Always had a smile and usually a joke of some kind. Even though he loved to give me a hard time he gave the best hugs. Was so concerned about my health and Bernards and wanted to make sure I was ok and how I was handling everything. I would always tell him I was fine and his first words were, you wouldn't lie to me would you, I'd say I'm fine and he came back with are you sure and then a big chuckle. I loved him dearly and he will forever be in my heart. He left behind a Wonderful Wife and Family who will treasure the memories as I will and always know what a great Man he was. RIP dear friend, your in Gods church now where we will all meet again some day.

“ So sorry and sad to hear the news of Allen's passing. I remember Allan and seeing him during services at Broad Street UMC all the times my mom (Joyce) dad (Rick) and I would come up to West Virginia from Texas. Last time I talked with Allan was at the Jubilee in the late 90's when I came up to visit from North Carolina. He was always there to say hello and ask how you were. He will be missed!

Will keep Allan's family in prayer during this time of loss.
