“ Dick and Sonnie...We rejoice for Barbara. She is now in her home of no more's...no more sorrow, pain, sickness, darkness....We so appreciate your family for the influential role you have had in our lives. 50 years ago we began our walk with Christ and you all were there to encourage us and to help us grow. We lived in the same neighborhood for many years. Barbara's love for God and her desire to serve Him was reflected in her daily living. Several months ago we had the privilege of being able to see her more often and was always blessed when she called us by name. We will forever be grateful for the presence of The Anthony family in our lives. You have been and will continue to be in our thoughts and prayers. Ed and Janet
