“ Mrs Dawson was such a sweet and wonderful person. I was blessed to have her as my aid when I started school. I was a very scared and shy kid and was so afraid to be away from my mom. Mrs Dawson was so kind to me and always tried to make me feel better. I’m thankful to have reconnected with her a few years ago. This is a great loss to her family and friends, as well as the community and all the children she encouraged over the years. She made an impact on me and I will always remember her.

I met Barb 34 years ago at French Creek Elementary. We became friends, went to pageants, weddings, many lunches. She became like a second grandmother to my daughter. They shared many, many special moments and secrets. Then life happens and we stopped talking every day and didn't visit as often, but the love was still there. We will miss the beautiful caring soul that was Barb ❤️.
