His name was not mentioned but you put everyone else in the obituary even people who was not blood to her. None of us know who Alton is could you clear us to who he is. I am very upset with this my Dad was her brother and he loved her and all his brothers and sister's and not to be remember is a shame.*

“ *Sorry to hear of her passing, her brother Walter LeRoy Williams, was my father-in-law, I haven't seen her in many years. I saw that all the sisters and brothers were listed but not my father-in-law, I pray that aunt Jane had a wonderful life.*

“ *Barb, I was sorry to hear about your mother. Even though you were expecting it, you still aren't prepared for the loss of a loved one. Share your memories and above all don't apologize for your tears. I'm sorry I'm not there for you now. But know that you will be in my prayers.*

“ *I have many fond memories of Jane. I have spent the last few years out of state and was unable to visit with her. I enjoyed her company and sense of humor, and will miss speaking with her, seeing her smile and hearing her laughter.*
