“ I have fond memories of Carol. She was both a cousin, and a childhood playmate. We lived close enough that my sister and I would climb the hill, behind our house, and 'holler' to them. We had no phones. They attended Goshen school, and we attended Canaan, but we all attended Church at Canaan. We spent nearly every Sunday afternoon together. "We Are Going Down The Valley, One By One." Prayers for the family! She will be missed! Donis Arbogast Perry

“ One of my favorite memories of Aunt Carol was to take wild flowers to her when I was little. She would sit me at the kitchen table, give me something to drink, and a handful of candy. Even when we moved off the hill, at the middle school, she would always give me candy and call me her little flower girl. I love you Aunt Carol.
