

Reverend Charles Donald Butcher

June 15, 1945 - August 20, 2023

The Reverend Charles Donald Butcher, age 78, of Buckhannon, died Sunday, August 20, 2023, at Magnolia Assisted Living in Hurricane, WV surrounded by his loving family. He was born in Buckhannon, WV on June 15, 1945, a son of Mary Josephine Lake Butcher Thornhill and was lovingly raised by her and his stepfather Kenneth R. Thornhill (who continued to raise Don for the next 52 years). On March 9, 1968, he was united in marriage to his wife of 39 years, Pamela Jane Harper who preceded him in death on May 17, 2007. He is survived by two children: Traci Allison Dunmire of Hurricane and Brock Alex Butcher of Buckhannon; two grandchildren: Allison Clair and husband Brady Allen Mangus of Lynchburg, VA (expecting a great grandson William Gray Mangus in September) and Cameron Todd Dunmire of Hurricane; and several nieces and nephews. In addition to his parents and wife, he was also preceded in death by his father- and mother-in-law Ralph and Mary Harper.

Don graduated Buckhannon-Upshur High School with the Class of 1964, where he was an All-State basketball player and West Virginia Wesleyan College with the Class of 1968, where he was an All-American basketball player. He went on to teach and coach football and basketball at Buckhannon-Upshur High School for many years, later being inducted into the B-U Hall of Fame, and remained passionate about Upshur County sports all his life. He was also a Sunday school teacher and Gideon before entering the ministry beginning as an ordained pastor of the Pickens Baptist Church and later the

Sand Run Baptist Church. His kind and giving nature shone through as a devoted husband, a beloved father and grandfather, a dedicated pastor, a steadfast supporter of the community, and a loyal friend to all.

Hebrews 13:8: "Jesus Christ is the same yesterday, today, and forever."

The family extends their sincere appreciation to Magnolia Assisted Living, Kanawha Valley Hospice, and all those who reached out to show care, concern, and love for their friend and pastor.

“ Traci and Brock your father Don was one of the very best teachers, coaches, and spiritual leaders in our community. He would make visits to my grandparents in their final days and went on to check in on my mom until his health declined. Take comfort he is in the loving arms of our Lord and with your beautiful mother again.

“ Mr. Butcher was a terrific teacher. He actually cared about his students. He would even acknowledged you outside of class, which not many teachers did that in Buckhannon. When he came up to Holbrooks nursing home for church services with the residents he was still a very sweet man. He will be missed.

“ Where to begin. What a wonderful man and servant of God !!! He was such an amazing preacher. August 14th 1999 Don along with Bob Poling joined together to unite John and I in marriage. He baptized us both along with my mother. However one morning in July of 1999 he appeared on the front porch at my parents house. He said the Lord told him he needed to be there . My Daddy was suffering from parkinsons disease and wasn't able to eat , drink , move or talk. He walked straight over to my Daddy and told him he knew what he wanted and he was there to help him. He said I know your not able to speak but if you just nod your head Mr Harris I'll speak for you. He asked my Daddy if he believed in Christ and wanted to give his heart to him. Dad nodded his head and Don began to pray holding tightly to my Daddys hand. Tears rolled out of mi e and mo.s eyes and they flowed down the cheeks of Daddy. There was a whole lot of comfort in knowing that this was happening. Afyer preacher had prayer with all.of us on that Saturday morning he left the house. Moments afterwards my Daddy sat straight up and said I'm hungry. He ate a huge bowl.of ice cream and told my mom he loved her and in just a matter of seconds he was back to where there was nothing. My Daddy passed away with no.more suffering. Went in his sleep. I will forever be grateful that Don showed up that morning.

To all the family of Don Butcher , we are so sorry for your loss. But I will have to say he is smiling so big right now as he is reunited with Pam. He will be greatly missed by all who knew and loved him. He was an amazing fella !

“ *Pastor Don was not only a wonderful Pastor and Teacher but also a wonderful friend to many! He never failed to be there when you most needed him to be, he always called and visited with so many of us when we truly needed his prayers and guidance! I so enjoyed Bible studies, he knew his Bible and I grew as a Christian with his guidance. He and Pam were such a blessing and wonderful friend! My favorite memory was our last visit several weeks ago. He was in such a wonderful mood and so happy I took him brownies and candy bars and Tracie had to end up taking away the candy bars for later! We had talked and laughed and it was great that we caught him on a good day! Of course Don was always happy when we took him things he wasn't suppose to have like ice-cream and strawberries during the festival! My prayers are with Tracie and Brock and his grandchildren that he so loved! May God Bless you all for looking after your dad and granddad! We will all see you again one day Don!* ❤️🙏❤️

My condolences to Traci and Brock and to the grand children. Many wonderful memories of him and of Pam . He loved the Lord and was steadfast in his service ...he was always reluctant to accept gifts of any kind,at which point I would remind him "it's just as important to receive a gift as to give one." He was a dedicated Pastor,teacher,coach,father,grandfather and husband...He has won the race. RIP my good friend.

I always knew him as "Don", or as Pam called him "Donnie". Such a good guy. I had not seen him in years, but I remember him fondly. I did not know that he had passed, I was just thinking about him and did a search for him. A memorable character. -Tom Beer
