“ Im so sorry . Charlie was more than friend - nieghbor. He is like part of our family. 47 years Charlie and Betty being a close neighbor that always knew they were welcome at our cook outs and family gatherings. The best neighbor to help take care of my mother while all her kids were working. We went on picnics and he ran and played with all the familys kids including mine. You are very missed Charlie. The neighborhood is not the same without your smiling face to talk to . Prayers for Betty and all their family .

“ *He was my teacher in Milton High School and I really liked him. He was always willing to help if a student was struggling. He left me with some fond memories, and I'm so glad I had the opportunity to get to know him.*

“ *I grew up with Charlie, better known at the time as "Coke". He was willing to do what it took to get the job completed. When playing football in high school, he played any position coach wanted him to play and he was good at it. Sorry to hear he has passed.*
