“ Charles Risher is also survived by his first born granddaughter Monica Risher-Botello, and several other grandchildren and great grandchildren. His other surviving grandchildren are Justin & Kyle Loucas, Rebecca Richards, Nicole Green, Elizabeth, Johnathan & Wayne Sias. He’s survived by so many great grandchildren I can’t even list them all. All of whom had to hear about his passing on Facebook. I guess if it weren’t for that we would never had found out. Charles was my grandfather I was his very first grandchild. My mom Brenda who’s Charles daughter always told me when I was little I was a grandpas girl. My grandpa would always bounce me on his knee and I would stop crying. Grandpa I’m going to miss you and I hope your final days were happy and you left this world knowing how much you were loved by all of you kids, grandkids, and great grandkids.
