Heaven sure gained a special angle in Ciara. She was such a great and special friend and person. To know her was to love her. She was beautiful on the inside as well as out. Tiara, Ciara and I had some girls nights that meant more to me than anything and I will cherish those times and the times I spent with Ciara forever. I love the Howard family as if they were my own. I only wish I could do something to ease the pain that they are going through. RIP and fly high Ciaras. You will be missed sweetie.
