“ Wanda, Brenda, Tina, Brad and Terry and families. You have my condolences for the loss of Dale. Dale and my mommy were first cousins and neighbors and friends. He was the best friend of the entire neighborhood I feel.
I am going to share a funny memory...He and my brother in-law were working on my house furnace and I was holding the flashlight for them. Dale said to me in such a kind voice, “can you see okay” I thought to myself how kind and I said, “yes, I can” he then said in the same kind voice..”well, how about holding it so I can see” oh my gosh, I thought my own Daddy was back. Such sarcasm. We all three laughed so loud and for so long. A couple days later he was checking on Mother and they laughed and laughed again about it. Such an honor to know him. I am deeply saddened by his passing and pray for you all to feel God’s loving arms around you while you grieve his passing. Love and prayers to you all. Cousin and former neighbor Lorraine Lampkin
