“ *Me and my wife and kids knew Daniel for most all of the 29 years I've lived in West Virginia. What can I say about Daniel he was a person with the heart of a lion. He always treated me and mine like we were his relatives not just friend's. I remember him working at the doughnut shop in buckhannon he used to give us doughnuts because he knew we didn't have alot of money. He was one of my best friends I'll miss him forever.... My heart goes out to his family and may the peace of our lord Jesus Christ comfort you in these hard times* ❤️❤️❤️❤️❤️❤️❤️

“ So sorry to hear of Daniels passing. He was such a sweet , kind boy as one of my elementary art students and I know he was the same as an adult. Addiction has taken too many of my former students. Prayers for the family members and friends affected by this disease and prayers for the future that we may be able to help those still struggling with addiction.
