I remember when my dad passed (Clyde Hinchman) know as BUGS Hinchman he came to the viewing and told me about some of the things him and dad did in the fire department, and some ornery things my brother Nick Hinchman and his son Denver Jr . Got in to when they were younger . It helped lighten the grief that it brought of lossing my dad and brother it was nice to know other people had good memories also . Thank you Denver . I pray God wraps his loving arms around all of you and comforts you in your time of sorrow . He could use people to do that the way he helped me ?*
