I'll truly miss Don. I always called him "Burnie" and he referred to me as "Beanie". I rode his bus off Salem Ridge for years. He was a great man.

“ All us kids loved going to the store at Gaines. We would collect pop bottles and exchange them there for more pop, candy or money. There was a pet groundhog that you had better give a piece of candy to there also. Don and his brother Bill keep us kids on our toes growing up. Bertha you are such a sweet lady my prayers are with you and the whole family.

“ Some fond memories growing up was at the store beside Aunt Pid. Going over to the store for no more than to say hi. Then when Carmen and Don lived there playing with them. Your place was always like home to me. Love was never at a shortage from your heart. Love was always given, guess that is why you felt more like a dad instead of a friend.
Bertha my love is forever with you.
