“ To Martha, family and loved ones, Rita and Caroline, and others, I am sorry for your loss. Don was well liked and respected by his Moore employees and friends (my husband, Gary B Hewitt was one).
May God grant you peace and comfort needed.
It is odd that one does not know the related family until you read the obituary. My friends, and his siblings, I ask that God be with you and bless all of you.

“ I worked with Don Long at Moore's for over eight years. I can truly say I have never worked for any one as nice as this man was. I was one of the first women put to work out on the floor and he helped to make us feel comfortable and had the patience of a saint. He was truly one good man and a good old country boy. God Bless the family and know you were blessed by a special man to have him a part of your family. will never forget him.

“ I had so much admiration and respect for Don Long. I worked with him at the Moore Business Forms plant in Buckhannon where he was a supervisor between front line supervisors and managers, and was relied upon by our plant management to make major decisions impacting the plant. Don never let them down. Besides his expertise and good judgement, Don was special for his humor and wit and just all-around good guy qualities. I'm glad I had the chance to know Don and I will miss knowing that he is around. My sympathies and very best wishes to his family at this sad time.

We hope you find strength in the love of all the family and in the warm embrace of all your friends to get you through this. You are loved by so many! Although no words can really help ease the loss, just know we hold you close in our hearts and always in our thoughts and prayers. Our caring thoughts are with you, much more than words can tell.
