“ Jack and family, I was so very sorry to hear of Donna's passing. As others have written, and as you already know, she was such a special lady who spoke in such a caring way, always showing an interest in what was happening in others' lives. I know that my parents thought the world of your whole family and enjoyed having you as neighbors many years ago. Please know that you are all in my thoughts and prayers as you deal with the loss of this special lady. May her soul rest in peace.
