“ Deepest Sympathies to Family- As a neighbor growing up a few houses down from Dottie, Norma, and Cecil, I always enjoyed spending time talking, watching Texas Walker Ranger with them, and watching the Night Blooming Primrose's open up out on their patio. These memories will forever have a place in my heart.

“ *Dortha Ann will be missed. She has always been in our lives. From the time I was just able to walk, she has been a large part of mine and my families life. In the past several years she and Normal would come and stay with us on the farm. We loved having them and they loved coming up. Dorotha Ann would always say this is home. This is where my daddy walked and grew up, it is my home. And it was. Our family will miss those visits and the wonderful and loving lady Dorotha Ann was.*

“ I can remember going to her and Adon's place in Alton with my mom (Myrtle Wilfong Cutright) and my dad (Kirk Cutright) when I was just little. Adon would put me on a stool, and we would play music and sing away. Dortha Ann's smile lit up the room and she would laugh at me because I small, loud, and I couldn't say the words very clearly. Her favorite song that I would sing was 'Hallelujah Square'. May prayers for peace for the family. ~~Beverly Cutright Waugaman
