“ I taught with Elaine at Junior High West back in the 1970's. She was a delight. She was a friend. She was almost like a mother to me in that I knew I could take my problems to her and that she'd listen intently and always be willing to give advice in the kindest and gentlest of ways. That advice would always come with at least a half smile, a brief turned - down eyes expression, and a "Well" To her family, my deepest condolences. I'll remember her fondly.
