“ Brooks was always so good to join us "girls" for lunch and laughs on our "quilt day" at their house. We shared stories and good times. Gordon and I will miss him going to Little Mos for shrimp with us. Loved his Juke Box in the garage. Sending prayers and a hug to Norma and the kids.

*Very sad to hear about your loss. I remember him playing Brooks and Dunn songs on his amazing music system. I remember how good he was to help my mother in law Opal Bennett on Pocahontas St. Guess that's when I first met Brooks. I always enjoyed my visits with Brooks and Norma. And think about those times. My son Carl, had asked about them recently, and thought highly of both of you.

My heart was saddened when you told me of Brooks passing but what a beautiful reception he must have received with all his loved ones waiting for him to join them. Brooks was a character for sure we had alot of great times at Moore Business Forms. The pranks we all played on each other and the awesome Bowling tournaments we would attend out of state. I will never forget that Birthday cake I made him (you know the one Norma) he laughed for days. We love you and Brooks will forever be in our hearts.
