“ *Gathel and Hod and family were some of our best friends and family growing up. We spent many evenings playing outside while our Moms and Dads were inside playing cards. Also many hours spent together harvesting garden produce. Love you Harley, Tim, Butch and Frankie. Your Mom was one special, kind and funny person. One to be very proud of.*

I have said this to Aunt Gate many times, she was a carbon copy of her mom, always kind, and loving. She was both an aunt and a real friend when I needed it most in my life. Aunt Gate was and will always be forever in my heart. Rest dear lady. Glory to GOD for allowing us to travel life with her.
