“ *Mom, you were a light in our lives. We will miss you dearly. Your joy, your singing of many different songs, your stories of growing up as a coal miners daughter. You were always a strong person. No matter what tried to get in your way, you pushed through it and always came out even stronger. We will be lost without you, but, we know you are with Dad and other family. You are still singing on streets of gold in Heaven. We just have to listen and we will hear your voice in the wind. We love you Mom. ❤️*
