“ Dear Rebecca and Family, my husband Tom and I are very sorry to hear of your loss. Your father and I are first cousins/once removed, as my grandmother (Margaret Nola Armstrong) and French's father (Garlin Armstrong) were brother and sister. I first met your father in the late 1980s at his WV home, where he was so helpful in showing me around our ancestral "homeland," and the beautiful house that still stands in Rock Cave, where my husband and I met you in the late 1990s. I will never forget him -- he was so interesting and fun to talk to and be with. It was indeed an honor and pleasure to know him. God bless you and your family, Laura Taylor Miller (nee Darvas)

“ Our family's friend for 60 plus years along with the entire Armstrong family. We shared many milestones as our children shared so many activities. Some so happy and some that were sad. Sledding, picnics, church and Christmas evenings at my home, complete with the antique wood butter bowl full of a variety of nuts. After my children's father passed, he was a mentor with sound advice when he was asked for his opinion. The community will never know all of the things he did unsung to make the world a better place. Farewell dear friend, you fought the Good Fight. Well done.

“ *Becky, John and family. We met your dad years ago thru his real estate office. We bought and sold a couple houses over time. He was one of a kind. Than we got to meet both your parents a few years ago on a more personal level. Such nice people. Our hearts go out to you. Will always remember him watching us do his hay. We have talked about that. Wondering what he was thinking as he watched. He is now with his true love❤️. Prayers and hugs!*

“ Dear Uncle French,
Thank you for the wonderful memories of visiting the grandparents at French Creek in my childhood. I recall that, with you around, there was always an adventure to be shared with my many cousins.

You serve as an inspiration to this day by the amazing career you put together. So diverse and industrious. You left an indelible mark on both family and community. You will be missed by many, but never forgotten.

To Becky and John, I'm so sorry for your loss.

With love to all,

Your nephew, Edward "Eddie" Armstrong

“ *My thoughts and prayers are with you during this time. Your dad was my very first boss when I came to the State Police. He was a wonderful person and so good to those who worked with/for him. He as a kind and thoughtful man. We had our Christmas dinners and he always brought our Christmas tree for us to decorate at the office and your mom would come for the dinner and bring the ham. So many memories over the years. I know it will be hard for you. He will be greatly missed by many. Take care!*
