HARTZEL, Allen, and family so so sorry for your loss she was such a sweet Aunt and she loved her lord and savior and I know she's rejoicing today up in heaven with so many of her love ones. She bought me my first Bible for my graduation in 1984 that I still use today and I still have the letter and card that she wrote to me tucked in it also. I treasure it to this day. Love, hugs, and prayers being sent to all of the family.
