“ So many thoughts, so many memories, where do I start. one f our first encounters I suppose. I needed a hair cut and she said she coud do it. the more we talked, the faster she cut and finally it was "oh Joan guess what I've done!!!!!" My hair looked good but it wasn't an inch long anywhere. She was a wonderful person, full of life, loved to sing and loved Patsy Cline but most of all, we'd spend time talking about the Lord and how great He was to put up wih us, our weddings, our children ourves. We talked about everything. Hattie had a such a beautiful heart, loved her famiy and was so proud of her children. She loved God and her church family and let everyone know whatthe veof jesus Chriatas done for her and the plans she had to give back to Jesus for all He had done for or her. And now she is surely His true and faithful servant and being rwarded for a job well done..I love you Miss Hattie and will miss you. But I know your only a thought away. God bless you all with comfort and peace and your in my thoughts and prayers.
