“ *Being involved for over nine years with Serenity Care Home as minister to the residents I was able to visit Herbert about every week since he arrived from Glenville. He was a blessing to minister to and we had many discussions about the Lord. For a few times he came to the evening services with his wife, but he struggled at times because of being able to hear properly. He would almost always ask me to pray with him, which I gladly would do. At one point he gave indication that he believed in the Lord and prayed with me accordingly. I also was able to visit him at Holbrooks. Oddly, when I came to visit him at the VA in Clarksburg, as I was about to get off the elevator, they were bringing him out. I did not realize it was him and I an sorry I did not get to see him before he had past. He will forever be in my memory and I hope I was used of God to help him in some way. I will miss our visit times together. God Bless. David R. Martin Resident Minister*

“ I'll always remember Uncle Herbert as a peaceful and loving man who would do anything for his family and friends. I know as children we surely tried his patience but I don't remember him ever raising his voice to us. He will be missed by all of his family.

Mom and I were saddened that Herb is no longer with us. He and Dad were great friends and built many houses together. Please know you are in our thoughts and prayers
