“ *Danny, Cindy and Imogen especially family, So sorry for the loss of your Mother, Grandmother and Great Grandmother. We really enjoyed picking strawberries and working together when she first returned. We had some really good talks. She will be missed by all her loved ones. But she is rejoicing today in heaven with her loved ones. Prayers to all of you and may God bless you and wrap his loving arms around you.*

“ Danny, Pam, Cindy, Jeff, and families,
Several years ago, I came to help "Gene" and Mr. Smith get ready to put down new carpeting in the kitchen. Not long afterwards, I ended up being among the care-givers to help on a somewhat daily basis for many years. I have a lot of good things to add to my list of memories: a lesson on taking care of bees and what makes good honey, a new way of frying squash by adding just a sprinkle of sugar, how to make milk toast, some of the good and bad reactions to medicines, sharing what the Scriptures have to say on many subjects, to just name a few.
I'm grateful that I was able to spend a little time with "Gene" in the hospital for a couple of days before the Lord called her Home. She told me that she had asked the Lord to take her home because she was ready to go. He granted her request and we can only imagine the joy that is going on in Heaven!!
