“ Janet or as we called her “Smith” and I were close friends in high school. We shared clothes, talked about boyfriends, and loved Seventeen magazine. She was a wonderful person and so much like her lovely mother. We stayed in touch for many years even into our 70s. She loved her boys, sons and grandsons, and was so proud of them. She will be missed by many.

“ We met in Nursing school in 1966 and became dear friends immediately. We shared our first “real” nurse job on the Medical Floor-3rd Main at Fairfax hospital. We married . had 2 babies each, (born pretty close together) numerous vacations together to the Outer Banks. So many laughs and tears, like good friends do. Then Janet and family moved back to Rock Cave. I visited once but we continued out long distance friendship. We divorced, spouses ,our children married and had children, so there were many more laughs and tears. My sweet friend, I will miss her terribly. Janet, rest in comfort now and may we all hold all of the memories close . With love, Carol
