“ *I have been friends with Jeff and Wendy since the mid 80's. Jeff has always done body work on my car and Wendy was always just the sweetest girl and a true friend. The world will be a little sadder without Jeff in it, but he no longer has to suffer in pain. My thoughts and prayers go out to Wendy, Whitney and Tony and Jeff's mom Carolyn and his dad.*

“ I loved Jeff's sense of humor when I would show up at the garage for repair work from "deer hitting my car"...especially the time it happened twice in a two week period. Jeff was a great guy. I am very sorry for your loss and will be keeping everyone in my prayers through this tragic time.

“ Wendy and family,
We are sending our love and prayers to you. When i would go to the body shop, he would say "what did you do this time". I told him to fix it and don't tell John. LOL. We will miss talking to him and laughing at his stories. May God give you peace and comfort.

“ Jeff was the most caring, kind, funny person I've ever known. He approached me in the late 90's at Cape Hatteras, North Carolina for the first time..... complaining to me that he had just lost a 70 pound Cobia in the surf after quite a battle. I told him if I'd have gotten there a few minutes sooner I would have grabbed him for him..... thus beginning a friendship that endured so much. He helped me when the chips were down. Pushed me when I needed pushed.....and was always there for me no matter what. To say I'll miss him is not even close.

My family loved Jeff.....and they loved and love Wendy, Tony, and Whitney.

To Wendy, Tony, Whitney, and Jim and Carolyn....we are deeply saddened and our thoughts and prayers are with you. Stay strong and be proud. Jeff was the best and he's already helping the Lord as he was called to do in heaven.

God bless you all.

“ I have a vivid memory of the time during the National VICA in Atlanta when Jeff and I had gone to dinner and afterwards the school van would not start. We were being closely watched by a group of young local men. It was more than a little scary and Jeff and I armed ourselves with some tools we were carrying in the van. A cop stopped by and called us a wrecker. I've known Jimmy since I was a small boy and I've always considered myself as a close friend of the family. My sympathy and prayers to the family.

“ I don't even know where to begin. Jeff was such a sarcastic, caring, loving, funny and giving man. I will forever see him in my mind grilling at our wedding. The boys loved him. He would do anything for us and he has. We will miss him so much. Sending lots of hugs, love and prayers.
