“ *Shelby:
I am so sorry. It was an honor to be part of your dad's care team over these past years. His courage and inner strength were matched only by the steadfast support he received from you, Shelby, and he was more than fortunate to have you with him throughout what has been a long time of suffering. I trust he is at peace now and that you and the family can take comfort in memories of good times past and the knowledge that he is no longer suffering. We at the dialysis unit will greatly miss Jerry. Know that you are in our hearts and our prayers.
Wishing you comfort and peace,
Dr. Rebecca Schmidt*

Thank you for you kind words and for caring so much about my Dad. He really loved you and all the girls at the dialysis unit, he often spoke of you all with me. It's a comfort to know how much you all cared for each other and what great care my dad received. I'll forever be grateful to you
