“ *Kathy and family. There are no words to ease your pain and feeling of loss. I simply cannot imagine the grief you feel. I cannot think of anyone that fought the battle against cancer so courageously. She was such an inspiration to all. She has blessed you with a beautiful granddaughter who will live to cherish her memory. I will never be able to thank you for all the love and support for my mom and pray you know how much you are loved. I pray God will enfold you in His arms and provide you with comfort and peace.*
