

Kristina Jenean Swecker

November 7, 1985 - November 27, 2017

Kristina Jenean Swecker, age 32, of Cleveland, WV, went home to be with the Lord on Monday, November 27, 2017, at Ruby Memorial Hospital in Morgantown. She was born in Upshur County on November 7, 1985, a daughter of Jeff and Karen Moffatt Swecker, who survive. Also surviving is one brother Jonas Swecker and wife Trishany of Culloden, WV; maternal grandparents: Don and Opalene Moffatt of Webster Springs; paternal grandparents: Edwell and Roxie Swecker of Cleveland; her loving boyfriend Jonathan Alsop of Huntington; niece Aubree and nephew Owen; several cousins; and countless friends.

Kristina was a graduate of West Virginia Wesleyan College and was one of the YES Club leaders and a cheerleading coach at Hacker Valley Elementary School. She fought a hard, life-long battle against cystic fibrosis. She remained positive throughout her illness, never letting it slow her down, and even organized many Cystic Fibrosis Foundation fundraisers. She was a Christian, saved by grace through faith in Jesus Christ, and was an active member of the Hacker Valley Baptist Church, where she loved to sing to her Lord. She enjoyed teaching and coordinating Vacation Bible School at her church and loved to play music.

The family will receive friends on Thursday, November 30, 2017, from 4-7:00 PM, at the Heavner and Cutright Funeral Chapel. The body will be moved to the Hacker Valley Baptist Church on Friday, December 1, 2017, where she will lie in state from 10:00 to 11:00 AM, the funeral hour with Evangelist Alva

Blankenship and Pastor John Elbert officiating. Interment will follow in the Replete Cemetery. In lieu of flowers, donations may be made to the Cystic Fibrosis Foundation, http://fightcf.cff.org/site/TR?px=2409257&fr_id=6129&pg=personal The Swecker family has entrusted the Heavner and Cutright Funeral Chapel with the arrangements.

“ I didn't know Kristi well but I have only heard wonderful things about her. She was an inspiration to so many people. Her beautiful smile made everyone around her smile too. My heart goes out to her wonderful family.

“ Kristi was the face of courage. A pleasant smile, an optimistic demeanor, and giving spirit were all traits Kristi shared with me and all who knew her. Her heart was filled with love. From school age until she left Hacker Valley School as an eighth grader, I had the pleasure of having Kristi in physical education class. One never knew she had CF! Her determination to do her best set a fine example for others. As an adult, I called upon her to fill some long term positions as a substitute teacher. She was a special education teacher, a music teacher, a daily day-to-day substitute, a volunteer cheerleading coach....she forged meaningful relationships with students and staff. May her spirit soar on the wings of eagles. May her family be comforted by the many "gifts" that she unselfishly gave in life.

“ She was such a beautiful soul inside and out. Her dedication and strength inspired all who knew her. I am grateful for the friendship I shared with Kristi. We would always gravitate toward each other at school events. We would sit and talk all the way through a basketball game. I loved her positive spirit and bright light that seemed to surround her. She was a special person with many gifts. I will miss her, but I know I will see her again. I pray that God surrounds her family with comfort in knowing that Kristi is renewed and is home.
All my love and prayers,

“ *Kristi came down the river one late summer evening a few years back to go gigging with our gang. I had to wonder if she would like doing that, but she had a good time with lots of laughter and screams! I remember the last time I saw her was at the hospital when Ben and Molly's baby Mya was so sick. She gave me a hug and a sweet smile and kind word. Condolences to all her family from all the Hall family.*
