

## Larry Phillip Loudin

August 16, 1941 - April 27, 2020

Larry Phillip Loudin, age 78, passed away in his sleep on April 27, 2020, after several years of battling Parkinson's disease and congestive heart failure. Father, teacher, coach, and farmer, Larry loved people—especially if they were willing to listen to his stories. A sixth generation West Virginian, he grew up on and farmed the land his ancestors settled in French Creek. A math teacher at Buckhannon-Upshur Middle and High Schools in WV as well as Socastee Middle, Forestbrook Middle, and the Horry County Education Center in SC, he touched the lives of countless young people. Over his teaching career in Huntington, WV, Buckhannon, and Conway, SC, he coached cross country, golf, basketball, and wrestling. Larry enjoyed yard sales, auctions, buying and selling antiques, listening to his vast record collection, hunting, and collecting guns. But most of all he enjoyed a good laugh with friends and family.

Larry was the proud father of three children—David Loudin (Jessica) of Conway, SC; Sarah Thomas (Jim) of Asheville, NC; and Daniel Loudin (Janet) of French Creek. He was also Pawpaw Larry to Hannah, Jessie, Joshua, Chelsea, Katie, and Olivia.

Per his wishes, Larry is being cremated and his ashes spread on the family farm in French Creek.

In lieu of flowers, memorial gifts may be made to Black Mountain Home for Children at 80 Lake Eden Road, Black Mountain, NC 28805 or online at [www.blackmountainhome.org/donate](http://www.blackmountainhome.org/donate).

“ I was diagnosed with Parkinson’s disease four years ago. For over two years, I relied on Levodopa and several other medications, but unfortunately, the symptoms kept getting worse. The tremors became more noticeable, and my balance and mobility started to decline quickly. Last year, out of desperation and hope, I decided to try a herbal treatment program from NaturePath Herbal Clinic. Honestly, I was skeptical at first, but within a few months of starting the treatment, I began to notice real changes. My movements became smoother, the tremors subsided, and I felt steadier on my feet. Incredibly, I also regained much of my energy and confidence. It’s been a life-changing experience I feel more like myself again, better than I’ve felt in years. If you or a loved one is struggling with Parkinson’s disease, I truly recommend looking into their natural approach. “ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 59. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Siferol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with. Suspecting it was the medication I took him off the Siferol (with the doctor’s knowledge) him on PD natural herbal formula we ordered from TREE OF LIFE HEALTH CLINIC, his symptoms totally declined over a 3 weeks use of the TREE OF LIFE HEALTH Parkinson's disease natural herbal formula. He is now almost 61 and doing very well, the disease is totally reversed! (w w w. treeoflifeherbalclinic .com)

“ Larry and I were friends from 1st grade on until he left this world. He was definitely one of the most intelligent folks in our BUHS, as demonstrated by his coaching several sports, none of which he played in HS, or college, as far as I know. Larry's sense of humor and bucket of tales never ran low, and were inevitably part of his personality. I--and most folks--enjoyed Larry a lot, and are thankful we had the pleasure of knowing him all these years! He was one of those people who enriched the environment around him for everyone who came into his circle--a circle big enough for everyone! Thanks, Larry, for just being who you were! We are all better off having known you!

“ I have many memories of Larry over the years that we taught together and when he coached. And afterward as well. I always liked him and you kids. Sarah we spent many good times in the hospitality room! The last time I saw him he was walking around the block from Victoria Manor and I was coming out of the Baptist church. We had a nice conversation and I was encouraged to see him doing so well. I'll always remember him with a smile on his face, and I'm so sorry for your loss. You kids keep in touch when you can!

“ To all the family,

*I remember a wonderful dinner out in the back yard at the Conway house. Sarah had cooked up a storm and Larry was in rare form, dispensing whiskey and wisdom equally. We had a lot of laughs that night, some singing (there were people who could sing present— Paul Rice and Brian Nance) but mainly lots of stories and there Larry led the way. Rest In Peace dear Larry.*

“ *Dear David, Sara, Daniel & families, Just a note to tell you how shocked and saddened Pat and I were when Daniel called to give us the news of Larry's passing. He was a dear friend as a teaching and coaching colleague at B-UHS for many years. He always invited Steve and me to hunt on the farm which we did. His dog "Fred", dragging out deer, etc.. and the stories were priceless. So many memories too numerous to mention here. The few times I spent with him after he became ill are sweet to remember. Thoughts, prayers and sincere condolences coming your way this week. Best wishes & Godspeed, Jim & Pat*

“ *We are SO sad But KNOW God saw to take him to Heaven in his quiet & peaceful way. Words will never be enough to speak of Larry~What a wonderful, caring & compassionate man. He put a smile on the faces of many in their darkest days even though he was not well himself. Will never forget how he helped my Aunt Mary Armentrout during some rough times in Assisted Living~He sang to her each & every day! Many memories of him leading a few residents singing hymns on the porch in the summer. We will miss you, Brother Larry..until we see you again. You touched many more lives than anyone can count! Prayers for the whole family & especially to Sarah-whom we have grown to love & cherish! God Bless you all!*
