“ *Lenny Alderman was a good man. Free-hearted and always eager to help anyone that needed it. I'll never forget all of the fun times we all had through the years, trail riding and hanging out. Life is just too short. RIP Lenny, you will be missed.*

“ *Oh Lennie I'm gonna miss laughing with you daily and us picking on another at work. Super glad I got to take care of you and get to know you! Today didn't feel right at all without you there. You were always my first "good morning, how are you" to at the end of my day "Do you work tomorrow" I even nicknamed you Leonard Skynard! We shared many laughs and tears together. Anytime you were feeling down you'd always come to me or ask where I was, you always shared everything with me. I'm gonna miss you so so much! This just doesn't feel real. Until we see another again my friend. Rest easy, man. ❤️*
