“ Gary,

So sorry to hear of Lois' passing. I remember when I lived and worked in Buckhannon 1972-1977 and would see you and Lois at the bank and you both always had a smile and we'd chat briefly. My prayers are with you.

Jane & Beverly,

I heard of Lois' passing from cousin Clara Beth (Uncle Loyal's daughter). I have many memories of family times together. I am so sorry for your loss and will definitely be praying for all of you.

“ I'm very sorry to hear of Lois's passing. I knew and admired her through family connections all my life, but have special personal memories of her for a short period of time in 2014-2015. My husband Ron and I ran in to her and Gary at physical therapy sessions and struck up a friendship. Lois was so kind and invited us to their home for a Sunday lunch. Ron was in a wheelchair and I think she felt compassion for him. She cooked a wonderful meal, almost like both our moms' Sunday dinners used to be! I was touched to see her and Gary hold hands as Gary said grace. We had a good visit in their beautiful home, and she had us back another time, then they came to our home for an evening meal. We enjoyed our times with her and Gary very much. She even showed me all her jars of canned vegetables in their garage; proud that she was continuing her mom's canning traditions. I very much appreciated my conversations with Lois; she even shared with me her special memory of the night she gave her heart to Christ and was baptized. I was so happy to hear that story. We lost touch over time, but I personally know Lois had a good, good heart, and I believe she was right with the Lord. I'm sorry that Gary and all her family will miss her now, but I believe she's in a beautiful place. Prayers for rest and peace for Lois, and comfort and peace for all her family.
