“ I want to express my heartfelt condolences to the entire family. My thoughts and prayers are with you. Aunt Marianne was a beautiful woman and whenever I was around her, she lit up the room with her unique personality. May your memories bring you comfort today, and in the days to come.

“ I'm very sorry for your loss. I always looked forward to visiting Mom Mom, her sister Lois, whenever Aunt Marianne came to visit her. When we were younger me and my sister would sometimes stay over Mom Mom's during that time. We always enjoyed spending time with Aunt Marianne. She was a very kind person. I know my dad Rick loved her very much too and always looked forward to her phone calls and had fond memories of staying with her when he was younger.
