“ *Mamaw,
You welcomed me into the family with open arms, your love shined through you. Though we weren't related by blood, you became my mamaw. We have shared many memories, done so much together, talked for hours. You regaled me with your memories of your life and the things we did together. I will miss stories, you open arms and loving heart. You were the best grandmother ever. I love you dearly and miss your beautiful soul! Go be with papaw, be happy. I know you will be looking down on us, and we will continue to make you proud, fore a little bit of your soul is with us, and our pieces of our hearts are carried with you.
Love you always,
Tonya Perdue*
