“ Sorry that I only just learned from a mutual college friend that Mike had died quite some time ago. In those late 60's-early 70's, we actually were pretty close buds. We had friendly bets going for years for top grades in French courses. As juniors, we got involved in the new Campus Crusade for Christ (now Cru) chapter as juniors--okay--partly to check out all the freshman girls packing out every meeting. We both ended up marrying girls from that student ministry. I eventually learned that some of Mike's Louisville HS friends included a girl Betty, who started dating and later married my best friend at Jackson HS in Massillon. ANYway, I miss Mike and hope to one day see him again.

“ On December 29th, half of my heart went to Heaven. I was blessed beyond any unit of measurement to have this wonderful man as my father. The guidance, support, and unconditional love helped me to become the strong woman that I am today. Everything I am, I owe to him. I see so much of him in my own boys.  
My dad was a beautiful human being and the world will be a little less with him gone. I'll love you for forever and a day, Daddy.
