“ *June was one of the most patient and kind spouses I have ever known. She took excellent care of Bill through thick and through thin. We should all be so fortunate to have that kind of loving commitment to one another. Thank you for making the world a better place, June. With loads of love and countless memories, Doug & Cindy Hurst*

Aunt June, you were a great encourager in my life. Your sweet smile, genuine caring attitude I will sorely miss. You were not a complainer. You always saw the best in people and were a tremendous sister-in-Law to my mom and dad. You will be missed by many but so grateful you are in the presence of our Heavenly Father—no more pain! Love you.

Growing up and having Donna as one of my best friends also gave me the opportunity to spend a lot of time with June. She was like a second mother and was always so kind and loving. She always made her famous chili for me and I loved it so much. I enjoyed visiting with her when I was in town visiting. Soar with the angels sweet June!
