They felt blessed by God each day of their marriage and each lesson learned and each step celebrated. Every day tell your family you love them!"

At Pam's request, her body was cremated and her remains will be inurned at the Hacker Valley Cemetery at a later date.

“ *What a wonderful awesome lady. She made my time at FBI pleasant, always willing to lend a helping hand and always gave the best advice. She had a laugh that would light up the whole room and you never wanted her to laugh alone. I pray that God will wrap you in his loving arms as you navigate the loss of your dear wife, mother, grandmother and friend. Pam you will never be forgotten. God bless those that she loved.*
