Patty served the Republican Party in Upshur County, West Virginia, and the

USA faithfully in countless capacities, but most notably as: Chairman of the Upshur County Republican Executive Committee, Member of the West Virginia State Republican Executive Committee, Member of the Federation of Republican Women, as well as years of involvement with the Teenage Republicans, including helping form their chapter in Upshur County. In addition, she attended Republican National Conventions all over the country, state Republican meetings, organized events for political candidates, contacted poll workers for the Republican Party for the election process, served as Ballot Commissioner and ensured voters were able to vote by delivering absentee ballots to those in the hospital or sick at their residence, held picnics for political gatherings, hosted Lincoln Day Dinners, and visited other counties within in WV for their dinners as well. She loved politics, she loved the Grand Old Party (GOP), and she loved the U.S.A.

Her social involvement did not stop with politics, as she spent 60-plus years as a member of the Shamrock CEOS Club in Ireland, West Virginia where she held many offices and especially enjoyed the fellowship of the luncheons and being the lesson leader and serving refreshments. For many years, she made the scrapbook of the year-long events for the club to be entered into the state competition. She was also a lifetime member of St. Joseph's Hospital Auxiliary, a member of the Order of the Eastern Star and the International Order of the Rainbow for Girls. She loved working the kitchen at the Ireland Community Building for the Irish Spring Festival and having a booth with her husband when the festival first began. She also enjoyed working the Country Kitchen for the Jubilee in Jane Lew.

In addition to her labors of love as a homemaker, she also had worked at the Garden Fresh in Weston, the State Road in Weston, the WV Glass factory in Weston as a hand painter, and under the Arch Moore Administration, she opened the first ABC store in Upshur County. The remainder of her life she spent providing care to elderly and sick family members while raising a family of her own. In more recent years, she enjoyed attending Horizons Church and the fellowship of Pastor Dave Cunningham.

Her life was one of devotion to her family—especially her grandchildren, and to others through the unselfish giving of her time in service work and politics. The family will receive friends on Thursday, September 30, 2021, from 3-8:00 PM, at the Heavner & Cutright Funeral Chapel. Private funeral services will be held for the family, but friends may attend a graveside service on Friday, October 1, 2021, at 1:30 PM, at the Forest Lawn Memorial Gardens, Lewis County, where Pastor Dave Cunningham will officiate.

“ *Patty and I met soon after I moved to Buckhannon. We talked a lot about her family and politics over the phone. Then I finally got to meet her, and we co founded Central West Virginia Republican Women which is still going today.*

She loved her family more than anything and was so proud of each one. She also loved her state and her country which she showed through her community involvement. She will be missed but I think she might be directing somethings in heaven.

“ Dear Heather and family:
It was an honor to be part of your mother's dialysis care team at Upshur and we will miss her. Her inner strength and courage were matched only by her upbeat attitude and the resilience she showed throughout the suffering she endured, especially these last few weeks. I hope the memories of good times past will bring you peace and comfort.
Know that you are in my thoughts and prayers.
With sympathy,
Rebecca Schmidt, DO (Upshur Dialysis Unit Physician)

“ *Love does not express enough what Patty shared with everyone she knew. It was beyond love, if you knew her you know what I am saying. But believe me, if you was wrong about something she would correct you on it like any loving parent would. That is just the way she was and that is what I always treasured in her*
