I opened my paper this morning and staring back at me was a picture of Patty. I sat thinking of when I had seen her last. It was so long ago that I don't remember the date. Patty was still working and we met

ES

for lunch..that had to be ten or fifteen years ago. Following that I called the phone number I had for her and left messages when I was in Backgammon but she did not call back. I met Patty in 1953 when we were all 18. We had quite a nice crowd of young people and before I got a car we traveled in Mr. Strader's Studebaker. We spent time at the Casaloma Curb Service in Lorenz drinking coke and dancing. That was in 1953-1954. We continued being family friends for the next twenty plus years when I moved to Pennsylvania. If I had known she was still in WV I would have made every effort to see her. I know she is going to be greatly missed by her family that she loved so much. My sympathy to you all. I know you are going to miss her.
