“ I was sorry to hear of Becky's passing. She would visit the daycare at Mountain Cap where my daughter attended as a little girl. She would tell me how special my daughter was and she would bring her gifts. She had a very loving and giving spirit. My daughter Kaitlyn has fond memories of Becky. She will be forever in our thoughts. To the family, may God bring you comfort and peace at this time.

“ I was sorry to learn of Becky's passing. I've know Becky since she was in my class in high school. She was always full of spirit and life! I never knew when I would run into her on the River Walk with her clients but she always stopped and chatted with me. It's nice to have such wonderful memories of a person like Becky.

“ Duck, Chad, Jimbo, Pru, Pat, Lisa and family,
We will surely miss the presence of a truly
loveable and kind person. May you be
comforted by the outpouring love of family
and friends and knowing that Becky is now
resting in the arms of our Lord and the peace she's finally found. I
know our words can't take away your pain but we are hoping they
will let you know that we are here for you and that we are thinking of
you all during this difficult time. May Becky's soul rest in perfect
peace!

“ What a beautiful soul Becky had! This woman taught me so much as a person in such a small amount of time! My job is difficult as it but when I lose someone I truly love, it hurts! It rips your heart out and makes you question what you shouldn't question. I believe she had so much more to do on this earth but God needed her for handy work in heaven. She was a willing vessel and I know she is being used. Thinking of her family and friends today. -BMTU Courtney Watkins
