“ *Rosalea, I am so sorry for your loss. Robert was always so pleasant to be around. His smiling face lit up the room wherever he went. I remember all the Family get togethers we had as cousins growing up together. Yes he was older, but always looked out for the younger ones. Mom love you coming over at Christmas time to eat her Peanut Butter Fudge and Chocolate Fudge. I think she made a whole coffee can of it just for you and Cricket. Rosalea, I pray that God shine down on you and bless you in your sorry. May he ease your broken heart and bring you Peace. Love and Prayers to you and your family.*

“ Rosalea and all of the family: My deepest sympathy to you at this time. Bob was such a nice person and always had a smile for you. I have fond memories riding motorcycles with Bob and although we might not agree about things He was always gracious enough to laugh and give you a hug anyway. I will always remember Bob's great sense of humor and the joy he brought to others. He and Beryl are probably playing jokes on the other citizens of Heaven and having a great time of fellowship. I'll miss you my friend.
