“ *Bob will be missed he was a man of knowledge and enjoyed his family. I never stopped thinking of him as my father in law and he always made sure the children had all they needed growing up. I'll miss his holiday drop off of some ingredient for peanut brittle , he always loved getting that. May he rest in peace*

“ We remember Bob as a kind and loving Brother in law. I still laugh when I think of the time when he chased after us as we were leaving Buckhannon
He finally got up beside us and held up my purse.....I had left it behind at the Westfall house. That was Bob. Our love and prayers for all the family. Steve and Anne

“ Family when we heard of Bob's passing we instantly thought back to his smile and his kindness. He worked with both of our dads at Moore Business Forms and did our taxes for many years. We always found him to be a man of integrity.
We hope your family, faith and friends will bring comfort and peace to you in this difficult time.

Helen and family, my heart is so sad to learn that Bob has passed on beyond this earth. I always enjoyed working with him when we both worked for my dad at Home Hardware many years ago. May each of you find comfort in the many memories you have. Fly high, Bob.
