“ Roger and family, we want to express our condolences for the loss of Rose. She was such a special person and we're sure that she is already settled into her new home.
It was wonderful to see Rose last weekend.
If you all need anything, we're here.
Heaven has a marvelous new angel.
With Love Rodney & LuAnn.

“ So very many memories that I know I will love and cherish for eternity but I do have a favorite picture of my beautiful mother and I that wasn't from so long ago and I'd like to think it's one of her favorite too since it is a fb profile picture of hers ❤️

“ Always a cheerful and bright and loving person. Always encouraged me to make things, from writing books to songs. To make animations and video games. Even though I can't show it all to her anymore, I know none of this would be possible without her consistent appreciation for my drive to put things into the world. Maybe we'll meet again, and show you everything you'll have missed. I love you grandma, and thank you for everything
