“ *Rose Ellen, Chuck, and family, Rosemary's passing saddens me beyond words. She was beautiful inside and out. I met her in 1970 when I worked at the Equipment Division during the summer months while in college. She was so kind and we had many talks while I was on my lunch break and she was managing the switchboard so efficiently. I was always amazed at how she mastered all of the cords and plug-ins. I remember that Rose Ellen was taking swimming lessons at the time, and I also remember that Rosemary would go to her mother's home for lunch on Thursdays and her mother would make her potato soup with dumplings. When I met David, who was working at the same location, Rosemary was our biggest cheerleader. I will always remember how she touched my life. May her soul rest in peace.*
