“ I had the honor of meeting Ruby and Waytman at the Pickens Cemetery several years ago. Two lovely caring people who gladly shared stories of several family members that rest there. I was truly impressed by them feeling their true caring love shining through. God bless and provide comfort as Ruby is mourned.

“ Dear Bosley Family,

I was saddened to hear of the death of Ruby. She was a God send when Shawn was born with subbing as a nurse caregiver when needed, during his early days/months of life. Our family will cherish Ruby's warm smile and energy. We met the Bosley family through Dave and Terry. The friendship has lasted for years. We will always be grateful to have known Ruby. May God continue to comfort, support and demonstrate love during your time of grief.

God Bless,

“ Ruby and I grew up together on Hicks Ridge where we attended a one room school. We played, helped our grandmom scrub her kitchen and work in the hayfield. We often laughed together about carrying gallon jugs of water for our granddad. The last several years Don and I have spent time with Ruby and Waytman on the Bosley Farm with their family. Times I will treasure the rest of my life. We were cousins but really sisters in our hearts. Don and I send our love and prayers to Waytman and family.
